Doing Business in the New Iraq: Practical Considerations for Multinational Businesses Expanding into Iraq Donna Marsh

Iraq, with its educated, sophisticated and relatively wealthy population, has been effectively off limits to most outsiders for the past 30 years. However, with the scaling down of violent activity and the establishment of a new, albeit fragile government, many multinational companies are giving serious consideration to setting up a presence in this market. This book provides cultural and business intelligence for all organisations who are considering doing business in Iraq. All of the practical issues of working in this exciting yet challenging environment are addressed, from safety issues to establishing reliable business partners, and including thoughts about the future. It includes: - A brief overview of Iraq - geography, demographics, structure, economy, weather - Religious demographics in Iraq, and their effect on business and other practicalities - Travelling to Iraq - practical and regional considerations - How to communicate effectively in Iraq - Getting down to business and achieving business goals - The impact of globalisation in Iraq and throughout the greater Middle East. Introduction; 1. The republic of Iraq; 2. Religion and business; 3. Assessing safety and risk; 4. Preparations for travelling to Iraqi Kurdistan; 5. Preparations for travelling to the Republic of Iraq; 6. Preparation for doing business in Iraq; 7. Business etiquette and taboos; 8. Communicating in Iraq; 9. Ready for business; 10. Achieving business goals; 11. The next steps; 12. The future; 13. Managing culture shock; Basic Arabic and Kurdish courtesies, words and phrases; Website; Index; About the author.

From reader reviews:

Armando Mosley:

What do you consider book? It is just for students because they are still students or the item for all people in the world, the particular best subject for that? Just simply you can be answered for that issue above. Every person has various personality and hobby for each and every other. Don't to be forced someone or something that they don't wish do that. You must know how great and important the book Doing Business in the New Iraq: Practical Considerations for Multinational Businesses Expanding into Iraq. All type of book is it possible to see on many solutions. You can look for the internet solutions or other social media.

Morgan Lytle:

In this era globalization it is important to someone to receive information. The information will make professionals understand the condition of the world. The condition of the world makes the information much easier to share. You can find a lot of sources to get information example: internet, classifieds, book, and soon. You can see that now, a lot of publisher this print many kinds of book. The particular book that recommended to your account is Doing Business in the New Iraq: Practical Considerations for Multinational Businesses Expanding into Iraq this guide consist a lot of the information of the condition of this world now. This book was represented how can the world has grown up. The vocabulary styles that writer require to explain it is easy to understand. Often the writer made some study when he makes this book. Honestly, that is why this book acceptable all of you.

Phillip Hicks:

Is it a person who having spare time then spend it whole day simply by watching television programs or just lying down on the bed? Do you need something new? This Doing Business in the New Iraq: Practical Considerations for Multinational Businesses Expanding into Iraq can be the response, oh how comes? A book you know. You are so out of date, spending your extra time by reading in this completely new era is common not a geek activity. So what these textbooks have than the others?

Keith Lugo:

As a student exactly feel bored in order to reading. If their teacher requested them to go to the library or make summary for some reserve, they are complained. Just very little students that has reading's spirit or real their interest. They just do what the educator want, like asked to go to the library. They go to generally there but nothing reading really. Any students feel that examining is not important, boring as well as can't see colorful photographs on there. Yeah, it is for being complicated. Book is very important for you. As we know that on this era, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore , this Doing Business in the New Iraq: Practical Considerations for Multinational Businesses Expanding into Iraq can make you really feel more interested to read.
