**This EXTRA LARGE PRINT book is designed for people who are Visually Impaired**

Every Word Search puzzle covers the entire page, and every word search list is given on a separate page.

There are 50 puzzles in this book with 20 words to find. All of the puzzles in this book are in the classic word search format. Words or phrases are hidden in the grids and are read in any direction: up, down, forward, backward, and diagonally. They may (and do) overlap and cross each other. All spaces and special characters are removed when a word/phrase is placed in the grid. For example, "Adam's apple" would appear as "ADAMSAPPLE".

Of course, solutions are also provided but we encourage you to try to find all the words yourself.

How long would it take you to find all 1000 words in this book?
