Civil War looms on the horizon for the galactic dinosaur empire and one lone T-rex bears the mark of treason to rally the loyal and reunify the races... Beginning the Star Force Phase 2 timeline, the Mak'to'ran serial details the defeated V'kit'no'sat fleet commander's days following the attack on Earth and the fallout within the Dinosaur empire that results from it. For as bad as the treason regarding the Humans and the bastardized Hadarak is, and the implications that one of the two founding V'kit'no'sat races are behind it, a much larger rift within the empire is being exposed that has the potential to do what neither the Zak'de'ron culling nor the Rit'ko'sor rebellion accomplished. A full Dinosaur civil war.
