For more than twenty years, John Gray's *Men are from Mars, Women are from Venus* has helped couples deepen their intimacy and rejuvenate their love lives. Men and women, it revealed, communicate so differently, we might as well be from different planets. By learning to speak each other's language, millions of people dramatically improved, even saved, their relationships.

But the world has changed.

Today, what it means to be a man or a woman is more nuanced and complex than ever. Both men and women are moving beyond stereotypes and embracing their true natures—with important implications for today's relationships.

In *Beyond Mars and Venus*, Gray provides a more modern look at the keys to healthy relationships. As the roles of men and women evolve, relationships must evolve as well. *Beyond Mars and Venus* takes the Mars-Venus framework to the next level, helping readers to take their relationship to a more profound level of intimacy.

Through real-life examples and simple exercises, *Beyond Mars and Venus* shows you how to bring you and your partner closer than ever before.
