Flood: A Wife for Shem Laurie Boulden

A Wife for Shem is the story of Noah's Flood through the eyes of a young woman. Merial is torn. She's falling in love with a son of Noah, but her family still lives in the village where Nephilim hunt and evil hides in the shrouds of mists rising from the earth. Can she convince her family to find refuge in the mighty boat, or must they perish in a world condemned? Be swept away in the rising waters. A flood is coming, how will you survive? Flood: A Wife for Shem brings the Biblical story to life. What was the world like before the flood? How did Noah's family survive on a boat filled with animals? What was it like, after the flood, in a world completely changed? A little faith can carry you a long way, but is it enough when where you land isn't anything like you thought?
