Girl Online

Zoe Sugg

Girl Online Zoe Sugg

The incredible number 1 bestselling debut novel from YouTube phenomenon Zoe Sugg, aka Zoella, now in paperback. Contains exclusive extracts from the sequel. I have this dream that, secretly, all teenage girls feel exactly like me. And maybe one day, when we realize that we all feel the same, we can all stop pretending we're something we're not...But until that day, I'm going to keep it real on this blog and keep it unreal in real life. Penny has a secret. Under the alias Girl Online, Penny blogs her hidden feelings about friendship, boys, high school drama, her crazy family, and the panic attacks that have begun to take over her life. When things go from bad to worse, her family whisks her away to New York, where she meets Noah, a gorgeous, guitar-strumming American. Suddenly Penny is falling in love - and capturing every moment of it on her blog. But Noah has a secret, too, one that threatens to ruin Penny's cover - and her closest friendship - forever.

From reader reviews:

Toni Bays:

Book is to be different per grade. Book for children right up until adult are different content. As you may know that book is very important normally. The book Girl Online seemed to be making you to know about other expertise and of course you can take more information. It is extremely advantages for you. The guide Girl Online is not only giving you far more new information but also to become your friend when you experience bored. You can spend your current spend time to read your reserve. Try to make relationship while using book Girl Online. You never really feel lose out for everything when you read some books.

Mary Lee:

This Girl Online book is just not ordinary book, you have it then the world is in your hands. The benefit you get by reading this book is usually information inside this guide incredible fresh, you will get facts which is getting deeper you actually read a lot of information you will get. This kind of Girl Online without we know teach the one who studying it become critical in contemplating and analyzing. Don't become worry Girl Online can bring if you are and not make your bag space or bookshelves' become full because you can have it with your lovely laptop even telephone. This Girl Online having good arrangement in word and layout, so you will not really feel uninterested in reading.

David Ramos:

As people who live in the particular modest era should be revise about what going on or information even knowledge to make these people keep up with the era which is always change and progress. Some of you maybe may update themselves by reading books. It is a good choice to suit your needs but the problems coming to you actually is you don't know what kind you should start with. This Girl Online is our recommendation to cause you to keep up with the world. Why, because book serves what you want and wish in this era.

Alfred Gates:

Is it you who having spare time after that spend it whole day simply by watching television programs or just lying on the bed? Do you need something new? This Girl Online can be the reply, oh how comes? The new book you know. You are therefore out of date, spending your free time by reading in this brand-new era is common not a nerd activity. So what these books have than the others?
