*Ideas About Art* is an intelligent, accessible introductory text for students interested in learning how to think about aesthetics. It uses stories drawn from the experiences of individuals involved in the arts as a means of exposing readers to the philosophies, theories, and arguments that shape and drive visual art.

- An accessible, story-driven introduction to aesthetic theory and philosophy
- Prompts readers to develop independent ideas about aesthetics; this is a guide on how to think, not what to think
- Includes discussions of non-western, contemporary, and discipline-specific theories
- Examines a range of art-based dilemmas across a wide variety of disciplines - from art and design and law to visual and museum studies
