In the framework of the Here I Stand project, exhibitions will be shown in Minneapolis, New York, and Atlanta in Fall 2016. Focusing on unique exhibits from authentic places of Luther's life and the history of the Reformation, these exhibitions present a comprehensive picture of the life and work of Martin Luther, his Reformation, its cultural-historical context and lasting impact. This catalogue brings together a thematically structured description of the various exhibits, most of which are being shown abroad for the first time. Original Luther objects and autographs as well as archaeological finds from the Luther sites in Eisleben, Mansfeld, and Wittenberg illuminate the personality of the Reformer and his environment. They are supplemented by a spectacular collection of artistic and graphic masterpieces, sculptures, objets d'art and important printed works. Seen as a whole they offer a unique overview of the important cultural treasures of the birthplace of the Reformation.
