Poinsettia can't believe her ears -- she's finally getting a room of her own! Yet once night falls, and her new room is dark, Poinsettia is lonely and scared. Radiators clank, stairs creak, branches scratch, and something thumps. She can't wait for morning to arrive. But when she sees a bright light shining outside her window in the middle of the night, Poinsettia's quick thinking saves her neighborhood, and, with the help of the firefighters, she realizes that the night isn't so scary after all.
