Do you find yourself living with an ongoing, unquenchable restlessness or passionate curiosity and wondering why this is the case? You can restore your faith in your destiny as a seeker--someone in search of a genuine understanding and experience of home.

Seekers: Finding Our Way Home offers a vivid portrayal of seekers as pilgrims questing for home. Seekers are threshold dwellers, and home takes on both an ancient definition of the word -- "a place to linger" -- and an active ideal, involving doing what it takes to make peace with change and therefore with the journey. This exploration presents an account of seeking that strengthens a facility for identifying where to linger and how to move in order to avoid spiritual homelessness. It also offers concrete guidelines for seekers' self-care. Strengthen your capacity for presence, imagination, and enchantment, and learn from the example of a heartening illustration of an aging seeker.

Encouraging and inspiring, this guide invites you to sustain the faith that seeking was always what you were meant to do.
