**The London Encyclopaedia** Christopher Hibbert, Ben Weinreb, John Keay, Julia Keay

*The London Encyclopaedia* is the most comprehensive book on London ever published. In its first new edition in more than 10 years, completely revised and updated, it comprises some 6,000 entries, organized alphabetically, cross-referenced, and supported by two large indexes—one for the 10,000 people mentioned in the text and one general—and is illustrated with more than 500 drawings, prints, and photographs. Everything that is important in the history and culture of London is documented, whether vanished or extant, from its first settlement to the present day.
