## **Atlas of Dive Sites of South Africa & Mozambique** Map Studio

Written by renowned author and diver Fiona McIntosh, *Dive Sites of South Africa & Mozambique* is a comprehensive atlas and guide to some of the top dive spots in Southern Africa. With over 157 detailed dive descriptions accompanied by 50 pages of topside and underwater maps, this guide is a useful reference for both advanced and novice divers. All dive sites highlighted in the book are featured with location maps, access points, difficulty ratings, maximum and average depths, water temperatures, dive conditions and other area-specific adventure and marine activities to name but a few. The title also includes a marine species identification guide with detailed information displaying full-colour photographs, scientific names and brief descriptions of each of the 150 different species identified.

The Enjoyable set up here cannot be questionable, like treasuring beautiful island. Techniques you still want to miss the item? Find this book as well as read it from right now!

#### **Elizabeth Talbot:**

As a university student exactly feel bored to reading. If their teacher asked them to go to the library or to make summary for some reserve, they are complained. Just minor students that has reading's internal or real their interest. They just do what the teacher want, like asked to go to the library. They go to there but nothing reading very seriously. Any students feel that reading through is not important, boring and also can't see colorful photographs on there. Yeah, it is being complicated. Book is very important in your case. As we know that on this period of time, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore this Atlas of Dive Sites of South Africa & Mozambique can make you really feel more interested to read.
