2 Books in 1:

- Forex: for Beginners: The Forex Guide for Making Money with Currency Trading
- Forex Trading: Strategies for Beginners and Experts: Making Money with Currency Trading

Book 1: Forex For Beginners

Learn How to Make Money With Forex Trading

Within the investment world today are many options where people can or should invest their hard-earned money. Most of these investment options do their best to guarantee growth and profitability. From binary to forex to shares to property to retirement annuities, the list is endless.

Forex is fine art. Attention is paid to detail. Time is spent fine tuning strategies. In this book, you are going to learn what you need to understand and practice financial fine art. In this book, you will find everything you need to know to begin as a new forex trader. I have skipped the financial jargon where possible to give you a guide to forex that is easy to understand, practical and full of examples.

So what makes forex worthwhile?

Is it possible to be successful in forex trading?

Those are excellent questions. Ones that I hope to answer and more throughout this book.

Within this book's pages, you'll find the answers to these questions and more. Just some of the questions and topics covered include

- Understanding Forex
- Types of Orders
- The Importance of Analysis
- Trading Strategies for Beginners
- Risk Management
- Trading Psychology
- Do's and Don'ts to Forex Trading
- Tips and Secrets to Success
- Getting Started
- And more!

Book 2: Forex Strategies

Consider a handyman with a toolbox. Within the toolbox are all the tools a handyman needs to complete a job successfully. The toolbox contains common tools such as screwdrivers, a hammer, cutters, pliers, etc. Almost anyone knows how to use these basic tools or finds them easy to learn. The experienced handyman will also find within the toolbox more specific tools to be used for specific tasks such as wrenches, power tools, or multimeters.

Similarly, this book can be seen as a toolbox with both general and more specific tools to help you with your forex trading. I hope to increase your chances of becoming a successful trader regardless of whether you are a beginner or an expert. When it comes to forex trading, information is king.

This book contains a brief overview of forex trading while taking a deeper look at risk management, technical analysis and forex strategies. Although brief, this book is packed with information relevant to both beginner and expert traders.

Within this book's pages, you'll find the answers to these questions and more. Just some of the questions and topics covered include

- Overview of Forex
- More on Risk Management
- Technical Analysis – From Beginner to Expert
- Forex Strategies – Going Further
- Personality and Trading Styles

Within this book, I have used of examples to help illustrate the topic being discussed.
