"Fuel2: Owning Your Faith" is a video-based curriculum series for students in grades 7 through 12. Through experienced youth communicators and creative video "sparks" that challenge the thinking of students, Fuel2 guides students in knowing what they believe. Using a systematic, yet highly innovative study, students will be able to articulate and apply the key doctrines of the faith. Each of the eight volumes provides material for 12 sessions on two DVDs and three CD-Roms, which include teaching plans, outlines, background studies, reproducible pages for the students and video previews for the leaders.
