## Gib's Odyssey: A Tale Of Faith And Hope On The Intracoastal Waterway Walter Bradley

*Gib's Odyssey* is the true story of an extraordinary man, Gib Peters, and his solo journey along the Intracoastal Waterway from Key West to New York and back while suffering the ravages of Lou Gehrig's disease.

On an astonishing six-month voyage, Gib and his boat, *Ka-Ching*, encounter everything from an incompetent sailboat captain who lets his tow-rope wrap around *Ka-Ching's* propellers and when he dives into the water to cut it loose accidentally stabs himself with his knife, to the Navy and Coast Guard Zodiacs rushing to stop him from entering a naval bombardment zone. Gib carries out epic searches for his two kittens when they go AWOL at an Atlantic City marina and when one later falls overboard. All the while, he is forced to cope with increasing levels of paralysis, steering the boat home with his feet and unable to speak.

Authored by Gib's neurologist, *Gib's Odyssey* is told in Gib's own voice through a series of e-mails and articles he wrote for the *Key West Citizen*. Part travelogue, part soul-searching meditation, it is the uplifting and sometimes hilarious story of one man's conquest of death and his profound insights into life.

#### **Shirley Bishop:**

As a scholar exactly feel bored in order to reading. If their teacher asked them to go to the library or to make summary for some e-book, they are complained. Just very little students that has reading's heart and soul or real their passion. They just do what the instructor want, like asked to the library. They go to generally there but nothing reading very seriously. Any students feel that examining is not important, boring and also can't see colorful photos on there. Yeah, it is to get complicated. Book is very important in your case. As we know that on this period, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. Therefore , this Gib's Odyssey: A Tale Of Faith And Hope On The Intracoastal Waterway can make you sense more interested to read.
