Heart of an Apostle Pete Beck

After many years of experience with churches, I observed that the maturing of the churches in general was being thwarted by the lack of genuine apostolic and five fold ministry. The book was written to illustrate the need for genuine apostolic leadership from the heart of maturity. Most books about apostolic leadership, although good and helpful, were more or less written from the point of view of application and performance of ministry rather than from the aspect of heart. Key editorial points are: Why we need each other. The marks of a true apostle and how to recognize them The need for a team spirit. Passing the baton to future leaders. This book will throw great light on the understanding of those who want to see true oversight work in churches and the blessing it will bring to all concerned.
