A heartwarming love story between mother and child

When Mama Elephant must leave Little One to ask the skies for rain, the young elephant is worried. Who will care for Little One? Who will sing Mama's special songs? When will she return?

Mama is very reassuring - Little One will hear her song on the wind and feel her love in the warmth of the sun, and, after the rains come, they will meet where the moon sets.

Exquisitely illustrated and supremely comforting, *Meet Me at the Moon* is a mother and child love story to be enjoyed again and again.
