This book is for all those who have always known they were destined differently, to do much more than the mere status quo: Kudos to those who already made it happen, and hope and inspiration to those to come; For all “misfits”, introverts, easily-hurt, super-sensitive people and anyone who’s been unwanted, mistreated or misunderstood, who have always known, and were very right, that there was something very wrong with the world and its uncaring, overbearing extroverts, etc., NOT with them: REJOICE AND BE GLAD! For, the time has come for the world to be transformed back to true beauty, for the truth to be revealed, and for you to remember that YOU were actually meant to be its salvation, to lead, guide, help and serve others as heroes and geniuses--respected, appreciated and honored! For all teachers who “made the difference”... For all law enforcement, lawyers, police, etc. who deserve respect... For all philosophers who dispense wisdom and deserve respect... Yet, this is also for anyone, anywhere, who suffered from abusive parents. If so, please know right now, before even buying this book, that: it was not your fault, there was nothing you could have done, you were not alone, never give up hope, and most importantly, BE the change you want to see in this world! This is also for all good parents, kudos to all you do, and please enjoy this comparison, because it will make you look GOOD! Last but not certainly not least, for everyone who has long-awaited the new Golden Age with a heart and soul of pure gold—enjoy! Note: This book is very similar to "Shimmering." Pre-approval was obtained prior to publishing in order to reach, help and inspire as many people as possible.
