What this book is about are facts: Date facts; Name facts; Church facts. I have found a highway from the writing of the original twenty-seven manuscripts in the Judean area around Jerusalem which began in the year 54 and I have extended this highway to London, England in 1611. The highway will continue after 1611 and go out to the rest of the world. This highway I call God's Highway.

In spite of man, the devil, and world organizations, God will not allow this highway project to shutdown. The reader will follow along this highway on a path. Sometimes this path will veer to the right and good things in the name of Jesus Christ will happen. History is full of these good things taking place. And sometimes *The Path Along God's Highway* will veer to the left. Danger and death will lurk veering to the left. This highway will be marked by the blood of the martyrs in the name of Jesus Christ.
