Women at Risk: Domestic Violence and Women's Health (Paperback) - Common By (author) Anne Flitcraft By (author) Evan D. Stark

Battering by men is the most significant cause of injury to women in our society. It is also a major cause of child abuse, murder, substance abuse and female suicide attempts. This volume, the result of 15 years of research conducted by the authors - a social worker and physician respectively - explores the theoretical perspectives of this dramatic expression of male domination, together with heal
