Answers to Calvary Chapel's "10 Reasons to Reject Preterism" Douglas Wilkinson

Calvary Chapel unwaiveringly follows premillennial dispensational eschatology. This was the dominant position of conservative Evangelical churches in the 1900s. It was made famous in the popular books *The Late Great Planet Earth* and the *Left Behind* series. As the premillennial dispensational movement has started to lose steam, preterism (the belief that eschatology was meant for the generation of the Apostles) has exploded in popularity. Recently, the Calvary Chapel church in Aurora, Colorado, published a 10-point position paper meant to refute preterism. This book is a point-by-point answer to their challenge.
