Big History: The Big Bang, Life on Earth, and the Rise of Humanity (The Great Courses) Professor David Christian

"Big History" is a course that attempts to bring an understanding of the past on very large scales. It starts with the origins of the universe and continues to the present-day, with a final lecture which projects into the future. It brings together aspects of astronomy, biology, geology, anthropology and history. This course contains 48 30-minute lectures.
