Edibles 2012 calendar Robert Kaufman

EDIBLES 2012, a 12 inch by 12 inch full color wall calendar, was the first and continues to be the longest published calendar of fruits and vegetables. Since 1978 Robert Kaufman has been photographing fruits and vegetables in their natural setting using natural light. Each year the images are new and exciting and make the viewer long for a bite of this glorious produce. EDIBLES not only decorates every kitchen perfectly but represents some the fine art photography of award winning photographer Robert Kaufman. Regardless of whether you are a health conscious person, a fine art photography lover or just a cook in the kitchen all will be inspired by these wonderful images. EDIBLES offers something for all. The 2012 edition offers images of loquats growing on a tree, magnificent artichokes, bitter melon and dragon fruit as well as Spanish onions like you have never seen and heirloom cherry tomatoes to celebrate December. For only \$13.99 you get a high end calendar, printed on the highest quality paper, with a lamination cover and plenty of room in the grid to write in all the important dates and events in your schedule. Whether you purchase the calendar for your own kitchen or for a friend or family member, the pictures will brighten any wall in the house or office all year long. After 35 editions EDIBLES has stood the test of time and you will not be disappointed. This artist produced and published work is something to treasure and frame for this year and years to come. All the images in this year's calendar and all past years are available as original signed prints.
