Graduate Medical Education Directory 2004-2005

American Medical Association

Graduate Medical Education Directory 2004-2005 American Medical Association

Updated with more than 6,500 revisions. The new edition of the "Green Book" provides up-to-date information on 8,000 ACGME-accredited residency programs and 1,600 GME teaching institutions. Lists requirements for 122 specialties and subspecialties, and names, addresses, phone/fax numbers, and email of all the directors of GME programs. Contains new program requirements in three specialty areas including pain management, updates to all program requirements, and updated requirements from all 24 ABMS certification boards. Provides medical students with current information for making one of the most important professional decisions of their careers. Essential for any medical or reference library.

From reader reviews:

George Cardenas:

Do you have favorite book? Should you have, what is your favorite's book? Book is very important thing for us to be aware of everything in the world. Each guide has different aim as well as goal; it means that e-book has different type. Some people feel enjoy to spend their time to read a book. They are reading whatever they have because their hobby is definitely reading a book. What about the person who don't like looking at a book? Sometime, particular person feel need book after they found difficult problem or perhaps exercise. Well, probably you will require this Graduate Medical Education Directory 2004-2005.

Norris Patterson:

In this 21st millennium, people become competitive in every single way. By being competitive currently, people have do something to make these individuals survives, being in the middle of typically the crowded place and notice simply by surrounding. One thing that at times many people have underestimated it for a while is reading. Yeah, by reading a e-book your ability to survive boost then having chance to stand than other is high. In your case who want to start reading a book, we give you this kind of Graduate Medical Education Directory 2004-2005 book as beginner and daily reading guide. Why, because this book is more than just a book.

Valerie Orbison:

Information is provisions for people to get better life, information these days can get by anyone at everywhere. The information can be a know-how or any news even an issue. What people must be consider any time those information which is within the former life are challenging to be find than now could be taking seriously which one is acceptable to believe or which one the particular resource are convinced. If you find the unstable resource then you understand it as your main information you will see huge disadvantage for you. All of those possibilities will not happen within you if you take Graduate Medical Education Directory 2004-2005 as your daily resource information.

John Gravatt:

Playing with family in a very park, coming to see the marine world or hanging out with friends is thing that usually you have done when you have spare time, then why you don't try matter that really opposite from that. A single activity that make you not experience tired but still relaxing, trilling like on roller coaster you already been ride on and with addition details. Even you love Graduate Medical Education Directory 2004-2005, you may enjoy both. It is great combination right, you still want to miss it? What kind of hangout type is it? Oh come on its mind hangout guys. What? Still don't have it, oh come on its called reading friends.
