I Scream, You Scream Lillian Morrison

The exuberance of childhood often centers around food, so it's no wonder that food rhymes endure from one generation to the next. Here, Lillian Morrison has gathered some of the wittiest and best-loved chants, street cries, and mock blessings for the enjoyment of young and old alike. Nancy Dunaway's pen-and-ink illustrations bounce with enthusiasm as children attend festive parties, visit Mexican villages, and journey to the moon. In Morrison and Dunaway's jointly created universe, fruits flirt, dogs fish... and all the world *is* an apple pie.
