Preaching Killer Sermons: How to Create and Deliver Messages that Captivate and Inspire Lane Sebring

"Lane provides practical tools to help pastors deliver engaging messages. Anyone who preaches or teaches will benefit from this book." -Mark Batterson, New York Times bestselling Author of *The Circle Maker*, Lead Pastor of National Community Church. Today's audiences are more distracted than ever, but sermons can only be effective if people are listening. You have to capture people's attention. But how? In *Preaching Killer Sermons*, author and pastor Lane Sebring reveals practical preparation and delivery techniques that will enable you to better connect with your listeners. Discover how to: -Capture and maintain the interest of your listeners -Structure each sermon for the greatest impact -Maximize your prep time on a tight schedule - Overcome distractions & communicate with clarity -Inspire people toward life-change If you want to discover practical methods to communicate clearly every time you preach, this book is for you. What church leaders are saying about *Preaching Killer Sermons*: Lane has written a very helpful, practical book for preachers and teachers. I think there are two great sins in preaching: misusing the text and boring your audience. In teaching pastors and seminary students, I find there are plenty of resources and attention given to avoid the first great sin. But there is a lack of resources on how not to bore people. And too many preachers feel that if they have rightly divided the Word of Truth, they have done everything God requires them to do. I think accuracy and effectiveness are equally important in preaching. *Preaching Killer Sermons* is a great resource to help pastors truly be effective in communicating the powerful truth of God's Word. I plan to start using this with the preaching students I teach. -David Whiting, Executive Search Consultant, Vanderbloemen, former Lead Pastor, Northridge Church, Rochester, NY The hardest thing I do each week is not leadership development or pastoral care - it's crafting a message which will communicate truth in an engaging and impactful way. I genuinely want to get better at what I believe is God's greatest call on my life. I'm thankful for Lane's heart to help us be better preachers. I'm thankful for this book. -Ron Edmondson, Senior Pastor, Immanuel Baptist Church, Lexington, KY, Church leadership blogger, RonEdmondson.com Pastor Lane Sebring has done an outstanding job of reverse engineering the "great sermon." His efforts will help all who preach to preach better prepared sermons, and become better prepared communicators. *Preaching Killer Sermons* should be included reading in homiletics courses around the world. -Brett Fuller, Senior Pastor, Grace Covenant Church, Chantilly, VA Chaplain, Washington Redskins If you are a communicator in the local church you need to pick up this book. Lane brings practical insights and helpful encouragement on every page. Pick it up ... and apply the lessons contained within. -Rich Birch, unSeminary, Executive Pastor, Liquid Church, Mountainside NJ The concepts Lane shares in this book have helped sharpen my effectiveness in communicating the content of God's inerrant Word! I would highly recommend this book to both the novice and the experienced preacher. -Dr. Billy Ross, Senior Pastor, Centreville Baptist Church, Centreville, VA Trustee, The Southern Baptist Theological Seminary I serve on a Teaching Team with Lane, so I watch him live out *Preaching Killer Sermons* each week. Lane's heart is to communicate God's Word in culturally relevant and engaging ways. Now he's sharing his passion in a book full of practical tools to help preachers (and teachers/speakers). You'll hear his heart as he challenges you to examine and refine your own preaching habits. -Elaine Bonds, sought after speaker, Graduate, Proverbs 31 She Speaks and CLASSEminars
