**Squirrel Pie (and other stories): Adventures in Food Across the Globe** Elisabeth Luard

**The ultimate locavore guide--an engaging food memoir of foraging from forest, field, and stream, from the Andes to the Arctic--with recipes and illustrations.**

Award-winning writer and journalist Elisabeth Luard is one of the most knowledgeable foragers on the planet, as well as one of the foodie sphere's most entertaining voices. Her worldwide travels--from the Andes to the Outer Hebrides, from the deserts of India to the Arctic tundra--have meant she has tasted some of the most extraordinary ingredients the natural world has to offer. In this enchanting food memoir, she shares the knowledge gained from a lifetime's worth of experience foraging in the wild.

Illustrated with Elisabeth's own beautiful black-and-white line drawings, *Squirrel Pie* is a charming blend of anecdotes and practical advice, with a sprinkling of recipes (including the eponymous pie). The twenty chapters include musings on the myth and lore of alliums, an investigation into how to cook a fiddlehead and other edible shoots, and an exposé of health-giving wild foods. If you haven't yet stumbled upon a skein of golden chanterelles under the moss in a Welsh valley or tasted a truffle just lifted from the red earth of a Tuscan hillside or followed a hunter in search of dinner through the blueberry barrens of Maine, these stories will take you there.

### **From reader reviews:**

#### **Richard Williams:**

As people who live in the modest era should be change about what going on or info even knowledge to make these keep up with the era which is always change and move forward. Some of you maybe will certainly update themselves by looking at books. It is a good choice in your case but the problems coming to you is you don't know which one you should start with. This Squirrel Pie (and other stories): Adventures in Food Across the Globe is our recommendation so you keep up with the world. Why, because book serves what you want and wish in this era.

#### **Patrina Eaton:**

Now a day people who Living in the era where everything reachable by talk with the internet and the resources included can be true or not need people to be aware of each data they get. How individuals to be smart in acquiring any information nowadays? Of course the solution is reading a book. Studying a book can help individuals out of this uncertainty Information specifically this Squirrel Pie (and other stories): Adventures in Food Across the Globe book since this book offers you rich facts and knowledge. Of course the information in this book hundred percent guarantees there is no doubt in it everybody knows.

#### **Leigh Harris:**

Nowadays reading books be a little more than want or need but also work as a life style. This reading addiction give you lot of advantages. The benefits you got of course the knowledge the particular information inside the book that will improve your knowledge and information. The details you get based on what kind of e-book you read, if you want get more knowledge just go with education books but if you want feel happy read one using theme for entertaining including comic or novel. The actual Squirrel Pie (and other stories): Adventures in Food Across the Globe is kind of publication which is giving the reader erratic experience.

#### **Cheryl Edgerly:**

As a student exactly feel bored to help reading. If their teacher asked them to go to the library or even make summary for some e-book, they are complained. Just tiny students that has reading's soul or real their pastime. They just do what the educator want, like asked to the library. They go to presently there but nothing reading seriously. Any students feel that studying is not important, boring in addition to can't see colorful photos on there. Yeah, it is being complicated. Book is very important to suit your needs. As we know that on this period, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. So , this Squirrel Pie (and other stories): Adventures in Food Across the Globe can make you really feel more interested to read.
