Molly and Amanda Moore and their friends Shawn, Peichi, and Natasha have the hottest thing going—a cooking business called Dish! The girls have become great cooks, and their business is really taking off. But mixing friendship with business is not always an easy recipe to follow!

It's Chinese New Year, and Peichi couldn't be more excited. Not only will she be enjoying this special celebration with her family, but this year she'll share it with her best friends. But when Peichi becomes too swept up in the festivities, her schoolwork—and Dish—suffers. And when the flu hits, all of the Chef Girls are out of commission! Can the girls of *Dish* figure out a way to keep their business running smoothly?
