This was a challenging and inspirational book to write. I rewrote the poems to be more fun, inspirational, and soul searching. The Holy Spirit brought thoughts alive in me that I did not know how to put on paper. Then I just began to write and rewrite and looked up and there was about 60 poems or more. Your thoughts can be open to a new way of life. Come on get on board and take a gossamer journey into the unknown. Be open to new ways of life and don't put a period at the end of a sentence but just do a colon to continue on with life. Life is infinite and not finite.
