## **Speaking/Writing of God: Jewish Philosophical Reflections on the Life Wi (Sunny Series, Jewish Philosophy)** Michael D. Oppenheim

Speaking/Writing of God explores the manner in which religious language develops in answer to the challenges and promise of three features of the life with others: the encounter between persons, the quest by Jewish women to be accepted including their distinctiveness/otherness as women as full participants in Jewish communal life, and the dialogue between Jews and non-Jews.

Although a major stream of modern Jewish philosophy has focused on the transcendent dimension of the relationship between persons, this book studies the contribution of feminist Judaism to modern Jewish philosophy and the impact of religious pluralism on Jewish religious life and thought."
