Gareth Knight

The Magical World of Owen Barfield Gareth Knight

Owen Barfield, whom C.S.Lewis called the "wisest and best of my unofficial teachers," was a country solicitor, scholar of language and philosophy, anthroposophist, and writer of imaginative fiction.

In this volume, Gareth Knight examines three major themes running through Barfield's works: The importance of the imagination; The evolution of human consciousness; How this evolution is revealed in the changing meanings of words.

This book introduces Owen Barfield as a seminal thinker and philosopher, and provides an entrance to his too-little-known fiction and his deeply compelling theatrical play, *Orpheus*.
