Why are so many youth programs struggling to find depth in their students' Christian walks? Why are so many students weak in their faith and fleeing the church after graduation? Perhaps it's because they have merely inherited someone else's Jesus. They've relied on what their family, friends, or pastors have told them about Jesus rather than discovering the living Lord themselves. A true storyteller and a teacher with a heart for ministry, Mark Hall traces the downward spiral caused by spiritual compromise with the world, and then charts the upward road to wholeness and restoration that comes when we claim our very own Jesus. When that happens, believers experience authentic fellowship with the one living God. Through fascinating personal stories, scriptural insights, and discussion questions for practical interactive study, Your Own Jesus?Student Edition will set readers free to live without compromise with the Jesus they come to know intimately and love fully.
