In this two-species cookbook, Brandon Schultz has adapted dozens of “people food” recipes to accommodate the palates of humans and the dietary limitations of dogs. He covers which foods are and aren’t safe for our faithful companions, suggests resources for making day-to-day dog food, and even gives tips on making dishes for special occasions. Each recipe has instructions and ingredient lists for both types of diners.

You no longer have to wonder if your dog really likes his kibbles. Set an extra place at the table, and watch him chow down on some truly tasty dishes. A seasoned pet chef, Brandon is proud to present his second cookbook for pets and their humans. Take it from his canine coauthor Chase: you’ll be licking your plate clean!
