This package includes the Enhanced Pearson eText and the loose-leaf version

An updated, streamlined Enhanced Pearson e-Text based on the highly successful previous editions of *Teaching and Learning with Technology*, this resource presents student-friendly help for preparing the 21st century learner and for improving the teacher's role as educational technology leader and advocate. In it readers get a clear, current look at the range of educational technologies available for use in today's classrooms, and the many ways teachers can use technology effectively to enhance learning. Chapter learning outcomes are aligned to NETS-T Standards; a unique explanation-demonstration-application approach introduces and demonstrates content and follows up with application activities; and a number of outstanding interactive features within the Pearson eText bring the concepts to life, among them Tech Tutors, Voices from the Classroom, Hands On Learning activities, Skills Builders, Foto Flips, flash reviews, interactive web links, and more. The Enhanced Pearson eText features embedded video, flash reviews, pop-up activities, and assessments.

Improve mastery and retention with the Enhanced Pearson eText*
The Enhanced Pearson eText provides a rich, interactive learning environment designed to improve student mastery of content. The Enhanced Pearson eText is:

- **Engaging.** The new interactive, multimedia learning features were developed by the authors and other subject-matter experts to deepen and enrich the learning experience.
- **Convenient.** Enjoy instant online access from your computer or download the Pearson eText App to read on or offline on your iPad® and Android® tablet.*
- **Affordable.** Experience the advantages of the Enhanced Pearson eText along with all the benefits of print for 40% to 50% less than a print bound book.

*The Enhanced eText features are only available in the Pearson eText format. They are not available in third-party eTexts or downloads.
*The Pearson eText App is available on Google Play and in the App Store. It requires Android OS 3.1-4, a 7" or 10" tablet, or iPad iOS 5.0 or later.
