## **Church in the Inventive Age** Doug Pagitt

Many books seek to predict the future of Christianity, but few help us grasp the opportunities of the current situation and equip us to navigate the present. Doug Pagitt, author, radio host, and pioneering leader, does just that, offering fresh, optimistic insights and practical suggestions. According to Pagitt, the last two centuries can be divided into four epochs: Idyllic, Industrial, Informational and now-Inventive. The Inventive Age - our currently reality - presents distinct opportunities for how faith communities think, what they value, and the tools they use. Pagitt offers leaders in Christian communities (and beyond) essential frameworks for participation in the Inventive Age.
