It's the Middle Class, Stupid! James Carville, Stan Greenberg

Government has really screwed things up for the average American. Work has been devalued. Education costs are out of sight. Effort and ambition have never been so scantily rewarded. Political guru James Carville and pollster extraordinaire Stan Greenberg argue that our political parties must admit their failures and the electorate must reclaim its voice, because taking on the wealthy and privileged is not class warfare—it is a matter of survival.

Told in the alternating voices of these two top political strategists, *It's the Middle Class, Stupid!* provides eye-opening, outspoken, and provocative arguments on where our government has gone wrong and what Americans can do about it before it's too late.
