## **Pantera 2004 Wall Calendar** n/a

Ask Philip Anselmo, the charismatic, often merciless front man of Pantera about his take on their success and you get the true, living, breathing definition of this uncompromising phenomenon. "We've survived every trend: heavy metal, grunge metal, funk metal, rap metal - and we're still here. Our fans know we're true right down to the core." 1990's breakthrough album Cowboys From Hell has seen them go from local Texas phenoms to mortifying trailblazers of the legendary Ozzfest. The band's relentless touring and fierce dedication to their fans have inoculated them against the usual trappings that have brought down other metal bands, making them the standard-bearers for integrity minded rock.
