Daddy Lessonse

Arthur, Lord Trelawney, is an expert at carrying coded messages for the government—and a complete amateur in caring for children. Before courting a widowed acquaintance with two babies, he decides to practice with the rescued orphans sheltering at his family estate. A practical idea...until he meets their lovely nurse.

Maris Oliver is drawn to the principled, handsome nobleman, even if he's expected to woo another woman. Both have secrets that threaten their safety and their fragile trust. But if Maris's sweet charges have their way, Arthur won't need to venture beyond his own front door to find a woman he'll risk all to protect and love.
