Camelot's Destiny Cynthia Breeding

Britain, Sixth Century AD... a place of Pagan magic and Christian piety, a place of mystery, treachery, and dark enchantments. Here the legend of Camelot was born and with it, bold passions and forbidden desire. Young, lovely and willful, fiery-tempered Gwenhwyfar is chosen by Arthur to be his wife and future Queen of Britain—an honor she reluctantly accepts. Soon, she cannot ignore the awaking passion Britain's new king ignites. He is a lover who delights her with his touch, yet whose desires are not shared with her alone. Seared by the forbidden kiss of Arthur's most trusted warrior, Lancelot, Gwenhwyfar is swept into a world of forbidden passion, torn by loyalty and love to a husband who betrays her and the man she cannot have. But in time where good and evil clash, where magic and chivalry reign... love will prove as fierce a weapon as any sword.
