Legends Can Be Murder: Charlie Parker Mysteries, Book 15 (Charlie Parker New Mexico Mystery)

Connie Shelton

USA Today bestselling author Connie Shelton takes her readers on a wild trip, in distance and in time, in the fifteenth installment in her original series.

Charlie Parker and her husband Drake Langston accept a job with Gold Trail Adventures in Skagway, Alaska, flying visitors by helicopter to remote cabin sites to experience the outdoor lifestyle and seek their fortunes. It isn't long before one of the guests finds a set of bones in an old mine, remains that date back decades. His hands full with present-day cases, police chief Sam Branson tells Charlie and her new reporter friend, Mina Gengler, that they are free to investigate.

A second body is found, bringing up a lot of questions. Charlie gets a peek into the lives and times of Gold Rush-era Alaskans when she discovers a box of old letters written by one of the stampeder and begins to wonder if it's possible that the two bodies are connected. And, ominously, it seems that someone in Skagway today doesn't want the women to dig for the truth.

Praise for Connie Shelton's series:

"Charlie is just what readers want." -Booklist

"Charlie is a fabulous amateur sleuth." -Midwest Book Review
