She never intended to catch the eye of Adam Steele and his mysterious manservant, Raven. When she does, her secret is blown and the brothers who paid for her passage insist on repayment. With no way to repay the debt she's incurred, Adam makes her an offer she has no choice but to accept-marry him, live in the house he shares with his brother, and he'll pay off her debt. She agrees and discovers that Adam shares more than the house with his brother. The brothers learn that falling in love with Patience is their virtue. In an era where land is as unsettled as the times, these brave brides fight for their right to live and love-always in threes. ** A Siren Erotic Romance
