Peace and Conflict is a biennial publication that provides cutting-edge data and analysis concerning domestic and international conflicts and corresponding peacebuilding activities. The book include forecasts of risks of political and social instability, as well as trends and patterns in conflict. The 2014 edition focusses on the 'micro level' in the study of conflict and peacebuilding, such as social relationships below the level of the nation-state, with attention to key topics such as ethnicity, climate change, foreign aid and sexual violence. Peace and Conflict is a large-format, full-color resource with numerous graphs, tables, maps, and appendices dedicated to the visual and summary presentation of information. Crisp narratives are highlighted with pull-quote extracts emphasizing major findings.
