## **Tom Diaper's Logbook: Memoirs of a Racing Skipper** Tom Diaper

*Tom Diaper's Logbook* is the memoir of a remarkable man and a rare opportunity to read first-hand about the drama, conflict and fascinating details that made up the life of a for-hire racing skipper during the glory days of racing. Tom Diaper wrote his memoirs on scraps of paper and old cigarette papers and these were pulled together to give a narrative of his life from a toddler on his father's yacht until his retirement as a skipper. The book tells of dramatic races with the German Kaiser, working for the Pinkerton Detective Agency, both World Wars and other exciting adventures over Tom's lifetime.

The book was first published in 1950, a year after Tom's death, and has been popular among sailors and sailing enthusiasts ever since. Now reissued with the original photos plus explanatory footnotes and a foreword from renowned sailor and fan of the book, Tom Cunliffe, *Tom Diaper's Logbook* is an ideal gift for lovers of sea stories, action and real-life adventure.
