## **Witness to History: Industrial Revolution** Sean Connolly

This series uses a variety of sources to give an insight into a particular period. The aim is to provide a history resource with a strong emphasis on evidence, using eye witness accounts from a range of source material, including diaries, letters and newspapers. An initial section introduces the period and the sources available. An extended quotation for the source is on one page, facing a commentary giving the historical background. The reliability of the sources is considered.
