Wristwatch Annual 2010: The Catalog of Producers, Prices, Models, and Specifications

Each year brings hundreds of new wristwatch designs, with aesthetic and mechanical changes and improvements, limited edition watches, and new producers, keeping this field exciting for collectors. This twelfth edition of what has become a watch industry classic features over 1,400 of the world's most luxurious wristwatches and provides color photographs and complete specifications for each watch. With *Wristwatch Annual 2010*, collectors have a wealth of information close at hand: the book is arranged alphabetically by producer, and within each producer's section are specifications and materials for each watch, including price, movement, special features, complications, case, dial, band, and available variations of a particular model. A glossary and pronunciation guide help acclimate the reader to the world of fine timepieces, and, for prospective buyers, the addresses of all featured producers are listed together.

The elegant photography and layout will encourage people to peruse the year's offerings for aesthetic appeal as well. The range of styles, from classic to modern, reflects the inclusive nature of this book, which watch collectors the world over will find both a handy reference and required reading.
