Archipelago: A Journey Across Indonesia Ian Burnet

Indonesia is the world's largest archipelago nation, comprising over 17,000 islands. It is the most culturally diverse nation, containing an extraordinary melange of races, religions, languages, and cultures. In this book, author Ian Burnet takes a journey across the archipelago. He intertwines the history and geography, as well as the many races, languages, and cultures that make up a country whose motto is "Unity in Diversity."

Traveling by bus, train, plane, and motorcycle, from Java to Timor, Burnet hops from island to island across the archipelago. He traces the history of the early Malay people and the influence of Indian religions of Hinduism and Buddhism. He discovers the heritage of the Indians, Chinese, and Arabs trading in spice and sandalwood and follows the rise of Islam. Burnet traces of the first Europeans to enter Asia - the early Portuguese and priests. Illustrated with photographs and historical maps, his book takes the reader on a personal journey through geographic space and historical time. It offers a rich and deep understanding of this complex nation, its culture, and its people. *** Librarians: ebook available on ProQuest and EBSCO ***

"The next best thing to touring Indonesia in person, Archipelago: A Journey Across Indonesia is a 'must-read' for travel literature connoisseurs, and highly recommended for public and community library collections." -- Midwest Book Review, Library Bookwatch: February 2016, The Travel Shelf [Subject: Indonesian Studies, Asian Studies, Cultural Studies, History, Travel]

From reader reviews:

David Ochoa:

What do you think of book? It is just for students since they are still students or this for all people in the world, the actual best subject for that? Just simply you can be answered for that problem above. Every person has diverse personality and hobby per other. Don't to be forced someone or something that they don't want do that. You must know how great in addition to important the book Archipelago: A Journey Across Indonesia. All type of book is it possible to see on many methods. You can look for the internet solutions or other social media.

Steven Weathers:

Nowadays reading books be than want or need but also work as a life style. This reading routine give you lot of advantages. The advantages you got of course the knowledge the actual information inside the book in which improve your knowledge and information. The details you get based on what kind of e-book you read, if you want drive more knowledge just go with schooling books but if you want feel happy read one having theme for entertaining including comic or novel. Typically the Archipelago: A Journey Across Indonesia is kind of reserve which is giving the reader unstable experience.

Christopher Mueller:

Reading a book being new life style in this calendar year; every people loves to study a book. When you learn a book you can get a great deal of benefit. When you read guides, you can improve your knowledge, since book has a lot of information on it. The information that you will get depend on what sorts of book that you have read. If you need to get information about your review, you can read education books, but if you act like you want to entertain yourself you can read a fiction books, this kind of us novel, comics, as well as soon. The Archipelago: A Journey Across Indonesia will give you a new experience in reading a book.

Aaron Williams:

As a college student exactly feel bored to be able to reading. If their teacher expected them to go to the library or to make summary for some guide, they are complained. Just very little students that has reading's soul or real their passion. They just do what the instructor want, like asked to the library. They go to at this time there but nothing reading critically. Any students feel that examining is not important, boring and can't see colorful photos on there. Yeah, it is for being complicated. Book is very important for you personally. As we know that on this era, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore , this Archipelago: A Journey Across Indonesia can make you sense more interested to read.
