Bridled and Branded [Menage and More: Erotic Contemporary Cowboy Menage a Trois Romance, M/F/M] Lynlee Lewis is an old-fashioned girl who might as well take the lead in a modern-day romance. She met a boy, when he was just a boy. She fell in love, but he barely noticed. Now, Lynlee wants to place a woman's brand on Blaine McCain, but will his past prevent her from staking a claim? Lynlee's storybook romance isn't without its villains and obstacles. Add in the fact that Blaine rarely travels behind a bedroom door without company and Lynlee wonders why she's so taken by the cowboy in the first place. Throw in a deadly situation and Lynlee finds herself in the midst of danger when a knife is shoved against her throat. Worse still, the man behind the blade is traveling with a wife who is no stranger to Blaine McCain. And they want to turn Blaine's life upside down with a package full of problems. ** Bridled and Saddled [Siren LoveXtreme Special Edition: Erotic Cowboy Menage Romance, M/F/M/M/M/M] Lynlee Lewis McCain is a woman in love, only she's a little confused about who she's permitted to love. She married a man she adored, embraced a lifestyle he introduced, and ultimately understood what it meant to become a wanted woman-in more ways than one. Hoping to keep Lynlee safe from a madman, Blaine McCain realizes he can't move Lynlee completely out of harm's way. After Lynlee is abducted by a serial killer, she becomes targeted by a lunatic, a madman reasonably distraught because Lynlee is the one who got away, the only victim who can identify him. After a short stay in the hospital, Lynlee returns to the mountains of North Carolina where the McCain brothers vow to keep her safe. Lynlee soon discovers there are several men willing to die for her, but there's also more than one lunatic interested in seeing her dead. ** A Siren Erotic Romance
