Grimm: The Illustrated Fairy Tales of the Brothers Grimm

Jacob And Wilhelm Grimm

Grimm: The Illustrated Fairy Tales of the Brothers Grimm Jacob And Wilhelm Grimm

23 fairy tales are lovingly illustrated by Gestalten favourites (see list below). Childhood friends such as Hansel and Gretel or Cinderella are featured in addition to less well-known but no less wonderful protagonists. The visual updates underline the relevance and timeless language of these all-time classics.

These new images will delight all ages. Each and every one of the illustrations was drawn with a loving, magical touch and infused with that secret yearning for bygone innocence and simplicity. Some are painstakingly drawn, some roughly sketched; others are madly detailed, cartoony, playful, romantic, imaginative, captivating, dark, trendy, stylised, strange, psychedelic, impish or enigmatical. Each and every chapter opens up a new realm of magic and colour, and readers will be tempted to skip ahead to rediscover more fairy lands.

Masterfully executed, convincing and extraordinarily fun, this classical hardcover volume will make an ideal present for (god)children, their parents or even yourself. Bookmark included.

Featuring: Åbake, Christian Montenegro, Deanne Cheung, Bastien Aubry (Silex), Rilla Alexander (Rinzen), Judith Zaugg, A-Linha, Dead Chickens, Kytarow, etc., etc.

Do you want to try this extraordinary wasting spare time activity?

Tony Hogan:

Is it a person who having spare time after that spend it whole day simply by watching television programs or just telling lies on the bed? Do you need something new? This Grimm: The Illustrated Fairy Tales of the Brothers Grimm can be the answer, oh how comes? A book you know. You are consequently out of date, spending your free time by reading in this fresh era is common not a nerd activity. So what these ebooks have than the others?

Belinda Bridges:

As a university student exactly feel bored in order to reading. If their teacher inquired them to go to the library as well as to make summary for some reserve, they are complained. Just minor students that has reading's heart or real their pastime. They just do what the teacher want, like asked to go to the library. They go to generally there but nothing reading critically. Any students feel that reading is not important, boring as well as can't see colorful images on there. Yeah, it is to be complicated. Book is very important for you personally. As we know that on this age, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. Therefore this Grimm: The Illustrated Fairy Tales of the Brothers Grimm can make you truly feel more interested to read.
