Poems for New Orleans

Edward Sanders

Poems for New Orleans Edward Sanders

The indomitable spirit of the people of New Orleans is the focus of this powerful suite of poems by counterculture icon Ed Sanders. The book begins with a series of vivid evocations of key events and personalities in the city's history, then brings this colorful legacy into the present with the harrowing force of Hurricane Katrina. That natural catastrophe, multiplied by human indifference, incompetence, and greed, is explored as a watershed demonstration of the sociopolitical fissures underlying modern America. At the core of the book is the saga of the Lebage family, beginning with Lemoine Lebage, who fought with Andrew Jackson's forces in the Battle of New Orleans and then set down roots in the city. Five generations later his descendant Grace Lebage is a singer and poet struggling to restore her life after Katrina has wrecked her ancestral home. Although the enormous, still-unfinished tragedy of Katrina suffuses *Poems for New Orleans*, human resilience in the face of adversity is its ultimate subject. Here is a New Orleans only glimpsed by the outside world, a place whose creativity, humor, and triumphant spirit no tragedy can overcome.
