The Color of Passion Ashley Cox

Oliver is the son of a wealthy plantation owner who entrusts his eldest son with his business while he's away for a few weeks in the summer. As soon as Oliver is given the reigns he aims to please his father. However, He can't help but notice one slave in particular. Nitaya a gorgeous young field slave on the plantation has a thing for Oliver. Nitaya's lust for Oliver is too unbearable and she just can't seem to stay away until things are taken too far....

From reader reviews:

April Robles:

Information is provisions for those to get better life, information presently can get by anyone with everywhere. The information can be a expertise or any news even a huge concern. What people must be consider if those information which is inside former life are hard to be find than now's taking seriously which one would work to believe or which one typically the resource are convinced. If you get the unstable resource then you have it as your main information it will have huge disadvantage for you. All those possibilities will not happen throughout you if you take The Color of Passion as the daily resource information.

Nancy Brown:

Reading a publication tends to be new life style within this era globalization. With studying you can get a lot of information that will give you benefit in your life. Along with book everyone in this world can certainly share their idea. Books can also inspire a lot of people. A great deal of author can inspire their own reader with their story as well as their experience. Not only situation that share in the guides. But also they write about the information about something that you need illustration. How to get the good score toefl, or how to teach your young ones, there are many kinds of book that exist now. The authors on this planet always try to improve their expertise in writing, they also doing some research before they write with their book. One of them is this The Color of Passion.

Edward Stevenson:

Spent a free time and energy to be fun activity to accomplish! A lot of people spent their free time with their family, or all their friends. Usually they undertaking activity like watching television, going to beach, or picnic within the park. They actually doing same task every week. Do you feel it? Would you like to something different to fill your free time/ holiday? May be reading a book is usually option to fill your free of charge time/ holiday. The first thing you ask may be what kinds of book that you should read. If you want to consider look for book, may be the e-book untitled The Color of Passion can be excellent book to read. May be it can be best activity to you.

Jeremy Robinson:

Many people spending their time by playing outside having friends, fun activity together with family or just watching TV 24 hours a day. You can have new activity to pay your whole day by examining a book. Ugh, ya think reading a book can really hard because you have to use the book everywhere? It fine you can have the e-book, having everywhere you want in your Cell phone. Like The Color of Passion which is finding the e-book version. So , why not try out this book? Let's observe.
